

As the economy in the USA is still having a negative impact on the rest of the world, the research department of Sierra Holdings is working diligently to find products that our financial advisors can offer to their clients.

We still see the greatest value in investing in the gold mining area. The only instability exhibited in that area is its' continuing growth due to the value of gold rising at formerly unheard of rates.

It is not too late to get in on this bonanza. Call Sierra Holdings today.
