

Sierra Holdings Group is pleased to announce the addition of Mr. Frank Jurkowicz to our staff.

Mr. Jurkowicz will be in charge of the Sierra Holdings Group telemarketing department and will report directly to Mr. Stanley Maddox, V.P. of Marketing.

Mr. Jurkowicz comes to Sierra Holdings Group with a world of experience with several major brokerages. He began as a telemarketer so we anticipate that he will be a real help to his staff in providing our clients with the first class experience they expect from Sierra Holdings Group.
